A proud member of

5770 Clarkson St. Unit C
Denver, CO 80216
Office 303.922.9266

- AME Inc. provides valuable manufacturing expertise. Whether you are buying your first Bridgeport mill, a used Waterjet, or you are adding a new 5 axis we can provide a long-term partnership that will give you the ability to produce quality finished parts, delivered to your customer on time for the lowest production cost. Sales and support in Colorado, New Mexico and Wyoming. and we are dedicated to providing you with top of the line training and support. We pride ourselves in our offer of free training as needed for one full year with any new machine Training in G-Code Programming and CNC Controls
- Knowledgeable and experienced in-house service team

- **GIBBSCAM** 2-5 axis simultaneous milling, 2-8 axis turning
- Wire-EDM
- MTM - Multi-task simultaneous machining, Tombstone Management
- **Visual EstiTrack**- Shop management & job costing software
- **SLYTRACKR** -- Machine monitoring and job tracking

AME installs ROBOTS – COBOTS. To keep spindles running !

Coordinate Measuring Machines (CMM)

- Useable Manual and DNC CMMs, American-made in Niagara Falls, NY.

- 3, 4 and 5 Axis High Performance VMC and HMC
- Palletizing, and automation specialists
- Outstanding rigidity and 2uM accuracy

- Siemens 840D or Fanuc Standard
- Rigid box-ways
- American-made in Patterson, NY
- 3-5 axis machining,
- MANUAL/CNC combination machines

SMART MACHINES

2-6 axis CNC lathes and Strong VMCs
Big Bore, Live tool, Y axis, Sub Spindle
HMC, HBM, VTL, Bridge Types

- High Productivity CNC lathes
- Multi spindle, Multi turret
- Swinging head machines
- Turn/grind Centers

Akira-Seiki- Cost Effective fast VMC
Chmer EDM - Sinker WIRE - Linear and ball screw
Starrag Heckert- - SIP – **Bumotec** – Industry
 Leading Precision 4-5-6 axis Machining Centers
Bourn & Koch - **Blanchard & DeVlieg**
MATEC- Machining Centers from GBI Cincinnati

Products by
Kennametal, BTC, Aloris, KURT, 5 Axis
WFL – The true MILL Turn machine
HNK-Dynamic – HBM VBM 5 axis
EROWA – pallets, **WEDM** Sinker tooling

STANDARD / MANUAL Machining

Fabrication and Cutting

CINCINNATI[®]

C I N C I N N A T I I N C O R P O R A T E D

- American-made in Cincinnati, OH
- Press brakes
- Shears
- Fiber and CO2 lasers

Scotchman- American-made in Philip, SD, Top of the line Ironworkers, Cold saws, & Shears

Jet- AME is the local authorized retailer and Jet service center

- Precision Wire EDM
- Versatile Sinker EDM
- Linear and ball screw
- "The best threading on the market"

Plasma Waterjet and Routers

- 2 to 5 axis cutting head
- Heavy-duty bridge and gantry

MULTI CAM WaterJet Lasers and Routers

AME Service, Training, Turnkeys, and SUPPORT

AME specializes in supporting our partners. We understand that your success ends up being our success, and we are dedicated to providing you with top of the line training and support. We pride ourselves in our offer of free training as needed for one full year with any new machine that we sell.

- Guaranteed turnkey projects
- Part Programs for all types of CNC machines
- Training in G-Code Programming and CNC Controls
- **Knowledgeable and experienced in-house service team**

Integrity

Partnerships

Technology

Laser Cutting & Marking

Cincinnati- CO2 and Fiber Lasers, Palletizing is STANDARD on all models
VYTEK- Small travel laser cutting systems
RMI, HANS- Cost-effective and space-saving laser marking for diverse applications

Grinding and Saws

Rollomatic- Industry leader in CNC 5 Axis cutter grinders, Specialty medical applications

Landis Fives- Landis OD, Cincinnati Centerless, and Gardner double Disk Grinders

Weldon Solutions - Precise cylindrical CNC Grinders, ID grinders and automation

Maxtec- Super-Abrasive CNC Machines

HE&M- American made, hydraulic down-feed. SAWS

Behringer- Heavy duty cutting and fabrication centers

Accessories & Tooling

Midaco - Automatic and manual pallet changers for retrofit on Machining Centers

Newall- Digital Readout Magnetic Rod DRO - Lifetime Scale Warranty

EROWA - Sinker and WEDM Tooling Palletizing and robotic loading solutions

AME Does- Professional robotics integration.
